

# MEGA MILES CHALLENGE

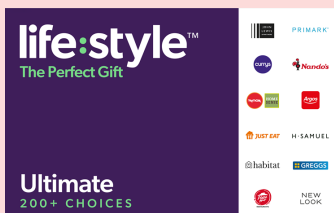

May 2024

## TOP TIPS

We asked other civil servants to give us their top tips for promoting the Mega Miles Challenge

- Get sports and social clubs involved – is there a running club, ramblers' group or social group you can link up with?
- Healthy competition goes a long way – whether that's between different teams within a directorate, different directorates or even region vs region.
- Get people excited – build it into team away days or team meetings.
- If possible utilise volunteering days to do a team walk – could be one day, or even just an hour!
- Is there anything that can help incentivise sign ups? From an extra day of annual leave to a basket of goodies, everyone wants to be in it to win it!
- Build a community and build connection - we are in it together and we are better **together**.

## WIN £500 VOUCHER!

As a special treat, if you sign up between the 15-30 April and use the promo code '**APRIL**' when you sign up to be in with a chance of **WINNING £500** to spend in over 200 of the biggest and best loved UK brands across wellbeing, food, home, fashion and entertainment!
