SERVANTS**

Every mile matters and every penny raised will help fellow civil servants through tough times.

So we can be there for people like Connie.

Connie had been signposted to the Charity for Civil Servants by her manager when she was clearly struggling to cope at work. A relationship breakdown had created a domino effect, leading to financial problems, repossession of the family home, bankruptcy and eventually homelessness.

“WHEN I MET SOMEONE FROM THE CHARITY, I EXPLAINED HOW SOMEONE FROM THE HELP TEAM HAD CHANGED MY LIFE AND I WOULD BE FOREVER GRATEFUL. WE WERE BOTH IN TEARS BY THE END OF OUR CONVERSATION.”
